24S 0072 26
LOV Legacy Fund

Sometime in the 1990s, the now defunct Prevent Blindness Virginia was behind the issuing of this pin. In an attempt to generate funds for an endowment under the title of Lions of Virginia Legacy Fund, approximately 100 of these pins were manufactured. Based on research, the campaign was only moderately successful and only approximately 25-30 of them were actually issued. The whereabouts of the remaining pins is unknown as of the writing of this summary. (April 2026)
