2025 Michigan Pin Swap
Old Merchant Ship Cayuga

2025 Michigan Pin Swap
Old Mackinaw Point Lighthouse

2025 Michigan Pin Swap
Michigan #1 Worldwide In
Tart Cherries

NOTE: Although the Michigan Pin Swap pins above do not qualify for the Wild West Series, we are featuring them in this update for the information of those attending the swap. More importantly, they are sort of a salute to those folks in Michigan who have worked so diligently to give us another nice venue on the pin swap trail. We have not assigned a WW number to the pins.
