MULTIPLE DISTRICT 24 Pin Traders Club of Virginia (PTCV) - Special Issues

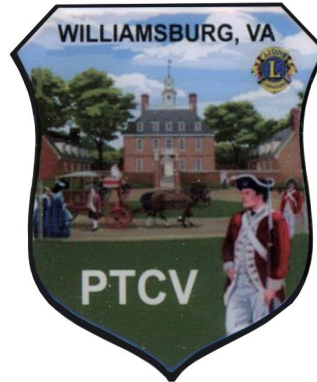

On June 1, 2022, the Pin Traders Club of Virginia (PTCV) welcomed Lion Pin Traders from all over the world to the 2022 LITPC Alternate Site Meeting (ASM) for three days of fellowship and pin trading. The event was held in Historic Williamsburg Virginia. This was the first ASM ever held in Virginia and the first time that the PTCV has hosted the event! Traders attending the ASM could qualify to receive the pins on this page.

NOTE: An ASM is not held every year. It is only held in years when the Lions International Convention is held outside of North America and a survey of LITPC members indicates that convention attendance by pin traders will be below a certain threshold. The 2022 convention was originally to take place in India. Obligations, however, had already been made before the decision to relocate from New Delhi to Montreal due to COVID was announced.
